

A large, reddish-brown natural rock arch stands prominently in a desert landscape. The arch is composed of layered sandstone. In the background, there are rolling hills and a clear blue sky. The foreground shows the sandy ground and the base of the rock formation.

In cooperation with WEF and WEAU, partial funding provided by USEPA

NOTC 25 - National Operators Trainers Conference
University Park Marriott, Salt Lake City Utah,
June 9-12, 2008

Celebrating 25 year of Providing Technical Assistance

Conference Fees:

\$125 (before 5/15/2008)

\$150 (after 5/15/2008)

Pre-conference Workshop

\$50

Annually this Conference provides training by national experts. It also provides an opportunity for all trainers to share their knowledge and experiences for the hundreds of municipalities and Tribes which are helped each year under the 104g program.
